# Instructions for Application for Ballot by Mail

**Address** - Give full address as shown on your voter registration certificate. If you moved within the county but not yet changed your voter registration address with the voter, indicate your new residence address.

**To** - Give full address where you wish to have ballot mailed, if the address is different from your residence address.

**Ballot to a Different Address** - Your ballot must be mailed to your home where you live and your mailing address on your voter registration certificate. There are some exceptions that allow you to have your ballot mailed to a different location as specified below.

Reason for voting by mail	Location to mail ballot
Physically disabled	Nursing home, assisted living/retirement center, relative, hospital
In jail	Address of jail or relative
Absent from county	Address located outside of county

**Absence from County** - If you chose expected absence from county, you must expect to be absent from the county on election day and during the hours of early voting in person or during the early voting period after you submit your application. **Your ballot must be mailed to an address outside the county.** Important: Give date you can begin to receive your ballot at the address given.

**Application** - If you are 65 years of age or older, or disabled you may apply to receive a ballot by mail for a calendar year. If you do not select any elections in Box 6a, your application is considered an Annual Application.

If you submit an annual application for ballot by mail, your application may be forwarded to other elections where you are a qualified voter. This means that you may receive a ballot for other elections in addition to the ballot(s) you requested with this application.

## Witnessing Application

**Witness** - If unable to sign, please go to Witness/Address boxes (11 and 12) and have a person witness your mark. Witness/Assistant instructions follow below.

**Early Voting Clerk** - You may submit your application via these methods:

Only the applicant may submit their application in person to the Early Voting Clerk until the early voting period begins. However, after the early voting period begins for an election, the applicant may only submit their application via mail, fax, common contract carrier, or e-mail.

You may mail your application via the U.S. Postal Service.

You may fax your application to the Early Voting Clerk. Please contact your Early Voting Clerk for the Secretary of State's Office for fax numbers.

**Contract Carrier**: You may submit via a common or contract carrier which is a bona fide carrier.

You may e-mail a scanned image of your application to the Early Voting Clerk. Please contact your Early Voting Clerk or the Secretary of State's Office for e-mail addresses.

**Deadline** - Your application must be received by the early voting clerk of the local entity for the election not later than the 11th day before election day. If the 11th day is a weekend or holiday, the deadline is the first preceding business day. For a Tuesday election, the deadline is the preceding Friday (11th day). You may submit an application throughout the calendar year beginning January 1. Please remember that the application must be received not later than 10 days before the first election you seek to vote by mail.

If you submit an Annual Application for Ballot by Mail within 60 days before an election that takes place during the following calendar year, your application will be valid for any election that takes place during the calendar year of the date that you submitted your application, regardless of the fact that your application was submitted prior to the end of the preceding calendar year. This applies to Annual Applications only and not regular application for ballot by mail.

## Witness/Assistant Section

If you are unable to sign your name (due to a physical disability or illiteracy), the ballot may be signed at Box #11 for you by a Witness. You must affix your mark to the ballot in Box #10 or, if you are unable to make a mark, then the Witness must check the box in #11 indicating the inability to make a mark. The Witness must state his/her relationship to you in the designated form and indicate his/her relationship to you or, if unrelated, state that fact. The Witness must sign and provide his or her printed name and residence address. Unless the Witness is a close relative of the voter (parent, grandparent, spouse, child or sibling), it is a Class A ballot for a person to witness more than one application for ballot by mail.

If a person (other than a close relative or person registered to vote at the same address) assists you in completing this application in your presence or mails/faxes/e-mails this application on your behalf, then that person must complete Box #11. The Assistant must sign, provide his or her printed name, and his or her residence address. A person commits a Class A ballot if the person provides assistance without providing the information described above. This applies to a close relative or registered at your address.

**For further questions or need additional assistance, please contact your Early Voting Clerk or The Secretary of State's office at 1-800-252-8683 or [www.sos.state.tx.us](http://www.sos.state.tx.us).**
